HXR-NX5
Update procedure

For Ver.4.0

720/60p(50p) HQ addition

25th Oct. 2012

Confirming if the unit is applicable (Version Check)

This model doesn't have function to check firmware version on camera itself.
You can judge by menu difference..
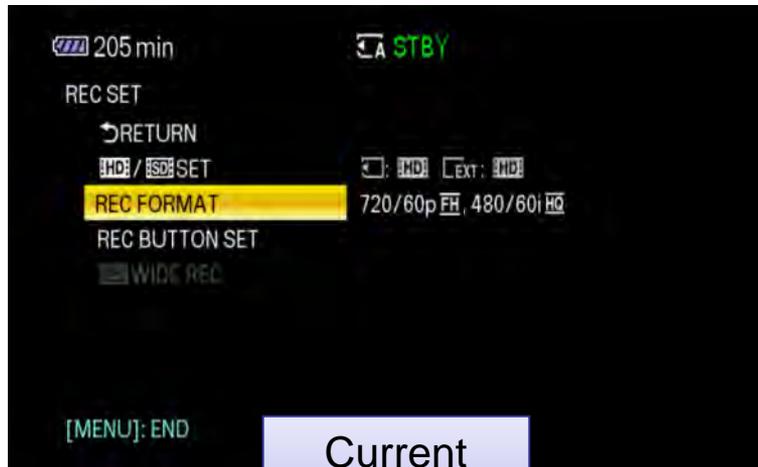

Please judge whether "720/60p HQ." exists in "REC ORMAT" of MENU.
*PAL version has "720/50p HQ" instead of "720/60p HQ".
